

Animal Kingdom Remedies

A Homeopathic Seminar using Video Cases comparing several different Animal Families

Dr. Jonathan Hardy

March 11th and 12th 2017

at The Red Gates
(aka the Burren Life Balance Centre)
Corofin, Co Clare, Ireland

Having lectured on Animal remedies for four years Dr. Hardy ventured into the Mineral kingdom in 2014 with a series of cases from Row 4. In 2015 we examined Row 3 and also saw some new animal cases. In 2016 we took a look at some interesting Row 2 cases. In 2017 Jonathan will venture back into the Animal kingdom and will compare different families.

We will compare Insects, Spiders, Mammals, Birds and Molluscs.

There will be many cases illustrating animal themes and the presentation of different families. The remedies will include Butterflies, Beetles, Spiders, Snakes, Fish, Tigers, Chickens and Cows and will be cases Jonathan has seen recently in his practice.

There will be handouts and the cases will be on video, edited for clarity and brevity.

As usual it will be a very informative and stimulating weekend.

Cost: €100 per day, (includes lunch and study materials).

There is some accommodation on site - €55 single per night, €35 per person sharing a twin/double, €25 Saturday night dinner.

Check out our venue on www.theredgates.com.

Ennis is only a 15 minute drive away.

€50 deposit is required to secure a place and accommodation/meals need to be paid for in advance.

Payment options: cash/cheque/visa (by phone through the vet clinic).
